For me, education is something deeper than a mere memorization process. Education is something essential in people's lives. Other than being a human right, it's a crucially important stage where we gain both theoretical knowledge and develop our emotional intelligence.

For this reason, I believe that true satisfaction, in the professional field, lies in awakening people's curiosity, creativity, willingness to learn and relate to others.

Experience

Cashier / Filling Clerk (14-4-2022 to Till Date)

ALGHURAIR INTERNATIONAL EXCHANGE (UAE)

Providing a positive customer experience with fair, friendly, and courteous service

- Ensuring transactions are completed in an efficient manner with a high level of accuracy
- Open / close branches as required and ensuring all tasks and checks are completed
