Summary

Determined and detailed individual with 3+ years of field, laboratory and supervisory experience, an educator and sales enthusiast. I am highly motivated, works well individually or as part of a team and dedicated to work with excellent written and oral communication skills, willing to take up new challenges.

Competences

- Customer service and conflict resolution
- Excellent communication skills
- Microsoft and digital platforms user.

Education

2017-2020	Master of Science in Zoology and Environmental Biology 4.82 University of Nigeria, Nigeria
2011-2014	Bachelor of Science in Applied Biological Sciences 4.48 Nkumba University, Uganda
2009-2010	Uganda Advanced Certificate of Education Masaka Secondary School, Uganda.

Professional Experience

July 2023 to May 2024: Student Affairs Supervisor,
Edunostic Learning Center, United Arab Emirates.

Responsibilities: Prepare and conduct engaging Biology and Mathematics tutorial services for students in secondary and primary school levels for UK and American Curricula. Monitor student performance, provide feedbacks, and develop student abilities through positive reinforcement strategies and aids.

Notable accomplishments: Improved the overall performance of students in their school assessments, national exams, and in solving real world challenges.

January 2022 - August 2023: Research Assistant,
National Agricultural Research Laboratories, NARO Uganda, P.O. Box 7065, Kampala, Uganda.

Responsibilities: Curate and digitize the national insect collection at NARL using the digital platforms. Facilitate students and researchers in entomology laboratory work, field data collection, screen house management, training of farmers, and assisting research on development of bio pesticides.

Notable accomplishments: Developed working protocols for mass rearing and curation of bio-agents and development of nationwide database on pesticides and insect collection

Jan 2015 – July 2016: Sales Associate,
Mwamula Investments Uganda Limited, Kampala, Uganda.

Responsibilities: Assisting customers throughout the agency and mobile money banking process, issuing receipts, banking cash and online transactions with the bank. Assisting customers in locating desired shop items from the affiliated shop and performing regular price audits to identify and correct price discrepancies.

Notable accomplishments: Maximized sales opportunities to drive store performance and supported team in meeting and exceeding targets.

Certificates

- Certificate of Achievement in Risk Management Course from eLearning College
- Certificate of Completion in Management Strategies for People & Resources from YALI Network
- Certificate of Achievement in Project Management from Saylor Academy.

Language Proficiency

English is the official language in all my academic endeavors

Honors & Awards

Dr Sylvia Meek Scholarship of Entomology 2018 (fully funded scholarship) by Malaria Consortium
Vice Chancellor's Prize for the Best Student of the 2014 Graduating Class at Nkumba University.
