Professional Summary

I am an energetic and creative Teacher with proven expertise in assisting several students with understanding subject materials while expanding on pre-conceived notions and taking full advantage of every learning opportunity of all ability levels. Skillfully counsel students to help each other make optimal educational plans. Employed successful learning techniques to enable student growth. Well, I am eager to contribute to team success through hard work, attention to detail, and excellent organizational skills. Motivated to learn, grow, and excel in my domain. Able to act as a facilitator of powerful learning experiences. Bringing forth dedication, skill, and the desire to positively impact the lives of children.
