OBJECTIVE

Detail-oriented and skilled Home Appliances installation technician with 3 years of experience in installing a wide range of home appliances. Seeking a challenging position where I can utilize my expertise in installing various appliances to ensure customer satisfaction and contribute to the growth of the company. Adept at troubleshooting and problem-solving, with a strong focus on quality workmanship and attention to detail. Ready to bring my technical skills and dedication to providing excellent service to a dynamic team.

EXPERIENCE

Gomathi Electronics.

Installation Technician

November 2021

- March 2024

Reading and understanding manufacturer guidelines and specifications for installing each appliance to ensure proper setup and operation.

Putting together different components of the appliance, such as connecting electrical or plumbing lines, securing the appliance in place, and ensuring it is level and stable. Verifying that the appliance is functioning correctly after installation, testing all features and settings to ensure proper operation.

Communicating with customers before, during, and after installation to answer questions, provide guidance on appliance use and maintenance, and ensure customer satisfaction.
