EDUCATION

Master's of Cyber Security
Amity University Rajathan, Jaipur

2021 – 2023

Bachelor of Cyber Forensics
Mahatma Ganthi University, Kottayam, Kerala

2018 – 2021

EXPERTISE

- Threat Monitoring and Detection
- Incident Response
- Vulnerability Management
- SIEM
- Network and Endpoint Security
- Compliance and Reporting

ABOUT ME

I am a highly skilled and dedicated Cyber Security Analyst with a deep passion for safeguarding digital environments from cyber threats. My professional journey has been focused on enhancing the security posture of organizations by proactively monitoring, analyzing, and responding to security incidents. Conducting vulnerability assessments, and implementing comprehensive security solutions. Proficient in using a wide range of security software and tools to protect against cyber threats. Seeking to leverage expertise in a challenging position to enhance organizational security posture.

● WORK EXPERIENCE

17/04/2023 - 23/11/2023

Global Technoloty & Information Security Pvt.Ltd | Gurgaon, India

SOC Analyst

- Proficient in monitoring security alerts, analyzing logs, and responding swiftly to security incidents, ensuring minimal impact and rapid resolution.
- Experienced in working DNIF tool and security technologies, such as SIEM, UEBA, SOAR, IDS/IPS, endpointprotection, and threat intelligence feeds.
- Performed penetration testing using Kali Linux and Metasploit Framework, simulating attacks to evaluate system security.
