EXPERIENCE

Remittance Clerk
Rasha Associates

📅 December 2021 - June 2023   📍 Perinthalmanna, India

- Provided fast and excellent customer service to clients in a professional manner, adhering to the SGOT Rule.
- Managed various services including foreign exchange, money transfers, and withdrawals while ensuring compliance with rules, policies, and procedures.
- Assisted customers with air and train ticket bookings, facilitating smooth travel arrangements. Handled customer complaints independently, ensuring resolution to enhance customer satisfaction.
- Answered telephone calls, provided transfer rates, and offered necessary information as required.
- Collected and filed all transaction supporting documents according to the company's filing system and AML policies.
- Maintained cleanliness of the counter and workplace according to office guidelines, ensuring a professional environment.
- Performed ad hoc assignments as delegated by immediate supervisors to support overall operations.

App Developer
Progbiz Private Limited

📅 July 2023 - July 2024   📍 Kannur, India

- Developed cross-platform mobile applications using Flutter, translating UI/UX designs into interactive, responsive interfaces.
- Integrated REST APIs to fetch and manipulate data from backend servers.
- Collaborated with designers and backend developers to ensure a smooth user experience.
- Utilized Git for version control to manage codebase, track changes, and collaborate with team members effectively.
- Implemented continuous integration and deployment (CI/CD) pipelines using tools such as Git, ensuring smooth integration and delivery of code with minimal errors.
- Integrated Firebase for push notifications, dynamic linking, and storage purposes.
- Implemented AdMob to monetize apps by displaying ads such as banner ads, interstitial ads, rewarded ads, and native ads.
- Integrated third-party libraries and packages to enhance app functionality.
